Subject: Reconciliation of Irrigation Provision for Replacement (PFR) Adjustment for Option  
Two Included In Fiscal Year 2002 Accounting

Dear Water Contractor:

We have completed the reconciliation of the irrigation PFR interest adjustment that was included in fiscal year 2002 accounting. As a result of discrepancies found, the enclosed reflects the amount that will be adjusted in your fiscal year 2003 statement of cumulative operations. We anticipate providing you with your statement in October 2004.

In addition to the PFR interest adjustment, a discrepancy was found in the allocation of the PFR principal costs applicable to the Conveyance Pumping component for Tracy Pumping Plant between Delta-Mendota Exchange water contractors and other water contractors. This adjusted amount, where applicable, is also included in the enclosed and will be adjusted in the CFO/PFR adjustment rate component.
